## **J.M. Barrie's Peter Pan**

**Our 2020 Winter Acting Workshop!**

Imagine you are standing behind a curtain, listening to the roaring applause of an audience. The lights dim and a hush falls over the crowd. The curtain opens and you are magically transported into Neverland! In our upcoming acting workshop, your child will have the opportunity to play Peter Pan, Wendy, John, Michael, Smee, and many of the other wonderful characters from the Lost Boys to pirates! This workshop will give your child the thrill of being onstage while teaching lifelong skills including articulation, voice projection, confidence, creative thinking, self-discipline, teamwork, and responsibility.

We are pleased to host our next Winter workshop, *Peter Pan*! Classes for *Peter Pan* will be held on Saturdays from 11 AM-2 PM, January 11<sup>th</sup>-March 28<sup>th</sup>, with two weeks off in February for school vacation. Performance will be March 28<sup>th</sup> at 3 PM. Ages 8-12 recommended.

Our workshops are both a blend of teaching and learning by doing. During the first hour, children are taught acting games and activities along with a small lesson. The second through third hours are designed as rehearsals for the show itself. We have a clear curriculum and syllabus that parents are free to look at. We also encourage parents sitting in the classrooms as well as parental involvement. We are a community theater for all.

Our Winter Acting Workshop will be taught by Josef Silvia. He is our Artistic Director, has been a children's pastor, children's director, and teacher for multiple churches and schools over the last 17 years. Our tuition is affordable at \$155 per student or \$245 for two students and is tax-deductible.

Registration is open until the first day of class. ALL registered students are guaranteed a role in the show! All rehearsals/performances will take place at the Motherbrook Arts & Community Center, 123 High Street, Dedham, MA. To register your child, please fill out the form below and mail it to us with an enclosed check. *Show title subject to change due to class size.*
